*"Achievement for All in a Happy, Safe & Caring Environment"*

On Monday we held our annual Presentation Day. Thankyou to all our special guests who presented awards including Steph Cooke MP. We are very appreciative of all the businesses, community groups and families of ex students and teachers who donate to help make our day so successful. Congratulations to all the award winners.

**Our new School Captains for 2019 are Sophie Berry and Riley Bowerman.**

**Our Vice Captains are Alexi Hunter and Noah Griffin.**

Congratulations to our new leaders who were elected by their peers in our recent election.

I was very proud of all the students who volunteered to deliver Captain's speeches last week. All of the students spoke from the heart and impressed me with their efforts. As I said to them on the day, every student can be a leader in 2019, you don't need to wear a badge to make a difference.

Thank you to everyone who attended the Presentation Day and Concert. A huge thankyou to all the staff for the creative efforts in putting the concert together and to Miss Robinson who lead the development of the

theme.

The students did a great job and were most entertaining!

**This Thursday there will be a PBL rewards day. The children will get to wear Pj's and have crazy hair. Students voted with their tokens that they have received for following our school values of being Respectful, Responsible and Resilient Learners.**

Congratulations to Riley Bowerman, the winner of the bike prize. Thank you to the P & C who kindly donated the bike and helmet as a special incentive for students to consistently do the right thing in the classroom.

Congratulations to Hugh Allen who received Dux of our school and Annabella Taylor who was awarded Student of the Year.
